

Technical Reports/Papers 2011

Agyekum, W. A. (2011) Geophysical investigation to select drilling sites for Berekum and surrounding communities under AFD-funded Peri-Urban and Small Towns Water Supply Project in the Brong-Ahafo Region, CSIR WRI, Accra.

Agyekum, W. A. (2011) Pumping Test to determine the Potential of an Existing Borehole at Kibi, CSIR WRI, Accra.

Agyekum, W. A and Okrah, C. (2011) Investigation for borehole sites selection at Sircool factory site, Nankese, CSIR WRI, Accra.

Amevenku, F. K. Y., Kankam-Yeboah, K. and Obuobie, E. (2011) Assessment of innovative institutional arrangements: The case of ITFC in Ghana, CSIR WRI, Accra

Amevenku, F. K. Y., Obuobie, E. and Kankam-Yeboah, K. (2011) Assessment of innovative technical interventions in irrigated farming: Case study of Plan (Ghana) in the Sisalla West district of the Upper East Region of Ghana, CSIR WRI, Accra

Amisigo, B. A. (2011) Inventory of existing water storage types, their characteristics and their distribution in the Volta Basin in Ghana, CSIR WRI, Accra

Amisigo, B. A. (2011) Report on the field surveys undertaken on the efficiency and performance of water storage systems in the Volta Basin in Ghana, CSIR WRI, Accra

Ansa-Asare, O. D, Mainoo, P. A., Adico, G. N. D., Okrah, C. and Darko, H. F. (2011) Monitoring groundwater resource occurrences and their quality in the Tano and Pra river basins with surface water quality monitoring in the South-western, Coastal and Volta river basins, CSIR WRI, Accra.

Asmah, R., Karikari, A. Y., Abban, E. K., Ofori, J. K. and Awity, L. K. (2011) Assessment of environmental impacts of cage and pen aquaculture on the Volta Lake, CSIR WRI, Accra.

Banu, R. A. (2011) Independent assessment of drinking water quality in Accra-Tema metropolis, CSIR WRI, Accra

Barry, B. and Obuobie, E. (2011) Mali country status on groundwater, CSIR WRI, Accra

Barry, B. and Obuobie, E. (2011) Niger country status on groundwater, CSIR WRI, Accra

Bekoe, E. O., Kankam-Yeboah, K., Amisigo, B. A. and Logah, F. Y (2011) Low flow characterisation of the Ayensu River in Ghana, CSIR WRI, Accra

Logah, F. Y., Kankam-Yeboah, K., Amisigo, B. A. and Bekoe, E. O. (2011) Low flow characterisation of the Black Volta River in Ghana, CSIR WRI, Accra

Logah, F. Y., Kankam-Yeboah, K., Amisigo, B. A. and Bekoe, E. O. (2011) Low flow characterisation of the Pra River in Ghana, CSIR WRI, Accra

Obuobie, E. and Barry, B. (2011) Burkina Faso country status on groundwater, CSIR WRI, Accra

Ofori, D., Kankam-Yeboah, K., Logah, F., Akraasi, S. and Amevenku, F. (2011) Assessment of Wa water supply system, CSIR WRI, Accra

Okrah, C., Ofori-Agyemang, C., Mainoo, P., Agyekum, W. A. and Duah, A. (2011) Geophysical investigations to locate suitable sites for borehole drilling in some selected communities in the Agona West Municipality using Electromagnetic and Resistivity Geophysical Techniques, CSIR WRI, Accra.

Quarcoopome, T. (2011) Cichlid fish populations from the Kpong Headpond, CSIR WRI, Accra.
