

Conference Papers

1. Agbeko, E et al. (2024). Commercial production of all-male Nile Tilapia, *Oreochromis niloticus* for food fish: the one-health approach. 2nd ACAFP Food Safety Conference for Africa, Accra, Ghana. 12-14 December, 2023
2. Akuetteh, A. N, Fynn, F. O., Akurugu, A. B., Obiri-Nyarko, F., Loh, S. A. Y. and Banoeng-Yakubo K. B. (2023) Hydrogeochemical Characteristics of Dahomeyan Aquifers in the Greater Accra Region of Ghana. Ghana Science Association 33RD Biennial Conference, 5th to 7th September, 2023, University of Ghana, Legon, Ghana.
3. Asante, K. A., Adu-Kumi, S. and Amoyaw-Osei, Y. (2023) Human Exposure to Emerging Contaminants and Heavy Metals in Ghana- Post Agbogbloshie E-waste Site Demolition and Sustainability of Measures to Reduce Risk of Exposure. 7th Green and Sustainable Chemistry Conference, Dresden, Germany from 22nd to 24th May, 2023 (Oral Presentation).
4. Banu, R. A., Alvarez, J. M., Reid, A. J., Enbiale, W., Labi, A. K., Ansa, E., ... and Schmitt, H. (2023). Extended Spectrum Beta-Lactamase *Escherichia coli* in river water collected from two cities in Ghana, 2018-2020 3rd AAAMR CONGRESS, 8th to 10th February 2023, Institut National de Santé Publique, Abidjan, Côte D'Ivoire. Theme: Pandemic Threats and Antimicrobial Resistance: How is Africa preparing?
5. Duku, M.A., Adu-Ofori, E., Afriyie, K.A., Darko, H.F., Hodgson, I.O.A., (2023). Raw and Treated Effluent Quality Characteristics from a Non-Alcoholic and Alcoholic Beverage Company in Accra, Ghana. 33rd Biennial Conference of the Ghana Science Association, University of Ghana, 5th to 7th September 2023.
6. Fynn F. O. (2023). Urban Water Demand and Supply Nexus: The Role of Groundwater. The Young Geoscience Conference (YGF-2023), Ghana Institute of Geoscientist, 26th to 28th July, 2023.
7. Mensah, E.T-D., Agyakwah, S.K., Asmah, R., Boateng, O.K. and Magna, E.K. (2023). Farming practices among small-scale African catfish farmers in the Sunyani zone in Bono region of Ghana. Presented at Aquaculture Conference, Accra, 26th to 27th April, 2023
8. Mensah, E.T-D., Teye, T, Magna, E.K., Agbeko, E., Atsakpo, P., Kusorgbor, J.K., and Danquah, E.T., Johnson-Ashun, M., Donkor, K.K and Osei-Konadu, L. (2023). Effect of natural and synthetic induced agents on spawning effectiveness of African catfish, (*Clarias gariepinus*). Presented at 34th RSA Annual Conference, Kade, 17th to 20th October, 2023.
9. Mensah, E.T-D., Dankwa, H.R, Lauridsen, T.L., Asmah, R. (2023). Seasonal variation in fish catch and environmental variables in a large tropical Lake, Volta, Ghana. Presented at 33rd Biennial GSA Conference, Accra, 5th to 7th September, 2023.
10. Mensah, G. D., Anani, F. A., Amevenku, F. K. Y., Atsakpo, P. D. K., Donkor, K. K., Ayarika, F. A., Johnson-Ashun, M. and Danquah, E. T. (2023). Evaluation of four commercial tilapia starter feeds used by tilapia hatchery operators in Ghana for Nile tilapia (*Oreochromis niloticus* L.) fingerling production. Paper presented at the Ghana Aquaculture 2023 Event on Fostering Stakeholder Collaboration for Sustainable Aquaculture Industry. 26th to 27th April 2023, Accra, Ghana.
11. Kumi, M., Anku, W. W., Penny, P. G. and Obiri-Nyarko, F. (2023). Integrated Bone Char and Biochar Bed Treatment of Fluoride Contaminated Groundwater from Bongo in Ghana. RSA 34th Annual General Meeting and 5th Scientific Conference, 17th to 19th October 2023, Kade, Ghana.
12. Bruce-Vanderpujje, P., Agadzi, Y. A., Norvimagbe, I., Asmah, R., Hildebrandt, L., Proefrock, D., Elbinghaus, R. (2023) Microplastics in the Lower Volta Basin:

Implications for human health and food security. 2nd Commonwealth Chemistry Congress, St. Augustine- Trinidad and Tobago 23rd to 25th May, 2023.
